

A bar chart showing the frequency of nodes in a network. The x-axis represents the number of nodes (0 to 100), and the y-axis represents the frequency. The distribution is skewed to the right, with a peak at 100 nodes. The bars are colored in a repeating sequence of orange, blue, purple, green, red, and yellow.

A vertical number line with tick marks at 1.77, 0.34, -1.1, and -2.54.
